The New Jersey Courts -New Jersey Courts Portal Home Page provides access to various systems New Jersey Courts - Portal Home Page in the form of tiles. Judiciary Electronic Click the tile labeled eCourts Appellate eCourts Expungement Charge System Document Submission "eCourts Expungement System" to open the expungement application.

Before the application opens, select the firm/office you wish to be associated with during the session, if applicable, and certify that the information is correct. Then, click "Confirm."

On the Expungement Home Page are three tiles: "In Progress Expungements", "Initiate Expungement" and "Case Representation" Click on "In Progress Expungements" to access your workbasket

Cases created by your office and not yet submitted have a "New" status, and submitted petitions have a "Pending Prosecutor Review" status in the workbasket.

3. To create a new expungement petition/proposed order, click on the "Initiate Expungement" tile on the Expungement Home Page.

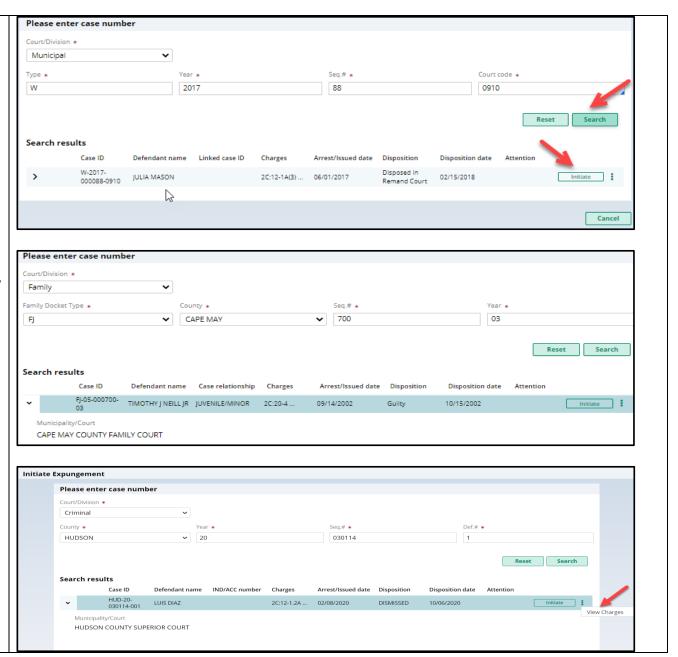

4. To start an expungement petition, enter one of the case identifiers below and click the "Search" button:

For a primary municipal case, select Court/Division as 'Municipal' and enter a complaint number for the defendant in the provided fields.

For a primary family case, select Court/Division as 'Family' and enter a FO or FJ docket number for the defendant in the provided fields.

For a primary criminal case, select Court/Division as 'Criminal' and enter a PROMIS/Gavel (P/G) case number for the defendant in the provided fields.

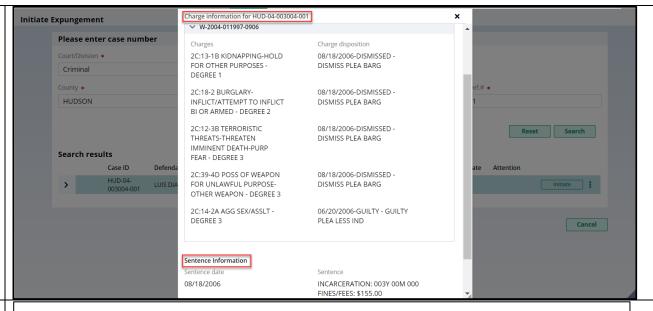

To remove your result and start over, click the "Reset" button.

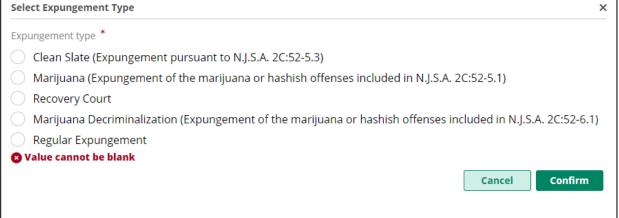

To proceed, click the "Initiate" button on the desired case/defendant in the Search results section.

When you click the "View Charges" action menu option on this screen, Charge information pop-up window on this screen displays charges, sentence information and disposition information for the case in search result.

5. Next, select an Expungement Type from the drop-down menu (Clean Slate, Recovery Court, Marijuana, Marijuana Decriminalization, or Regular) and click the "Confirm" button.

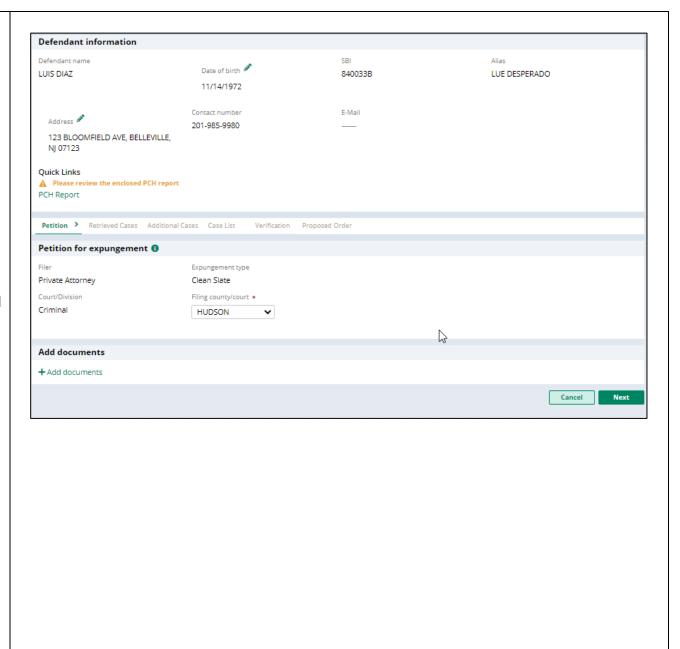

6. The "Petition" screen is displayed. Defendant information displays at the top of every screen in the petition/proposed order creation process.

The Filer type defaults to Private Attorney. Expungement Type and Court/Division are pre-filled with information from the previous selections and the Filing County/court is pre-filled based on the case you initiated with, but you have the option to change the county, if needed.

Date of birth and Address can be edited/entered by clicking on pencil icon beside the respective labels.

The bottom of every screen in the petition/proposed order process has a section for "Add documents". You can use this to upload up to 5 PDF documents which will be saved to the Expungement Case Jacket after the

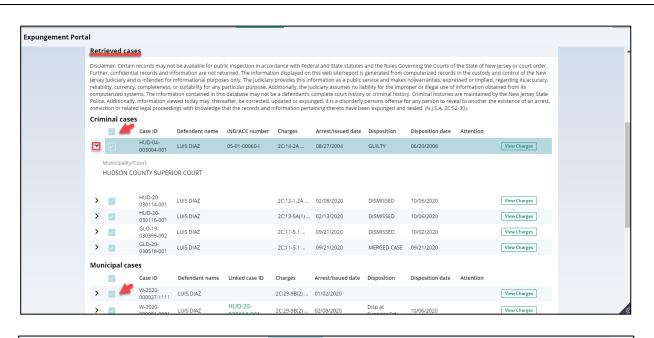

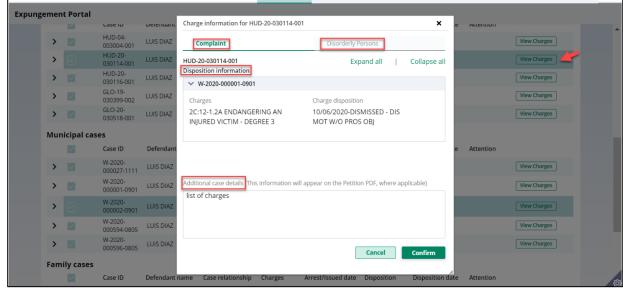

petition/proposed order is submitted.		
Click "Next."		

7. The "Retrieved Cases" screen is displayed. The petitioner's Criminal, Municipal and/or Family cases are retrieved from relevant source systems and displayed on this screen. Click on the check box next to the case or a case section to select/deselect the case(s) for inclusion in the petition/proposed order.

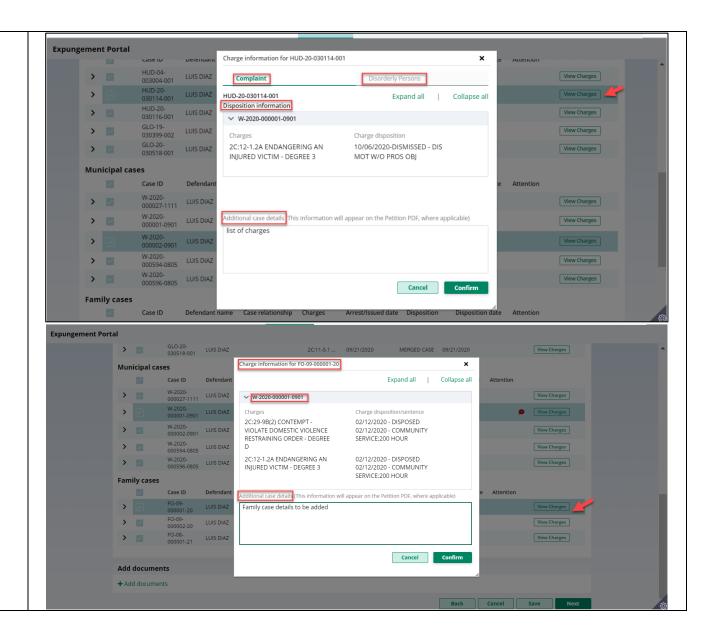

Click on the twisty "v" to the left of the case to expand/collapse the case and view additional case information.

When you Click the "View Charges" button on any case, Charge information pop-up window on this screen display charges, sentence information and disposition information. On the Charge Information window, an "Additional case details" section is available for petitioners. The field can be used to enter information about the case and charges. The text entered will appear

on the system generated Petition PDF.

Please review the "Disclaimer" section at the top of the Retrieved Cases screen indicating that the system may not include a petitioner's full criminal history and that a petitioner may still need to acquire this information separately.

8. Once you open a case, you will see navigation buttons located at the bottom of the screen.

Click on the "Cancel" button to cancel the petition and return to the Workbasket without saving changes.

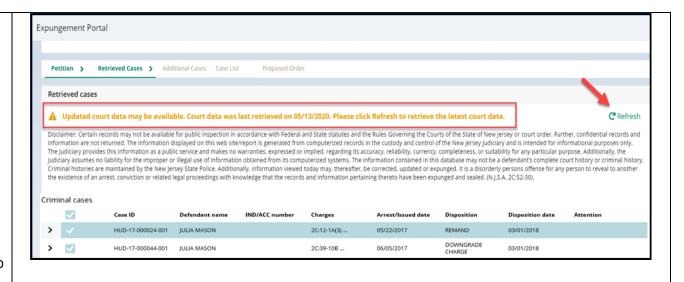

Click on "Back" to navigate to the previous screen and "Next" to navigate to the following screen.

Be sure to click on the "Save" button to save any work done so far before exiting the petition or the application.

9. If you save the petition/proposed order and return to it after 24 hours, an informational message will display that advises additional cases may have been added to the source systems since the petition/proposed order was created. Click on the "Refresh" icon to refresh the data from the source systems.

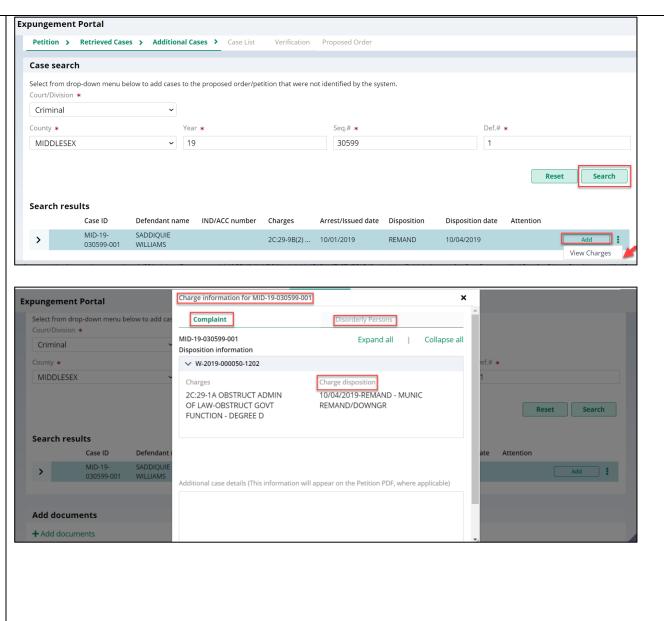

Then, click "Next" to proceed to the "Additional Cases" screen.

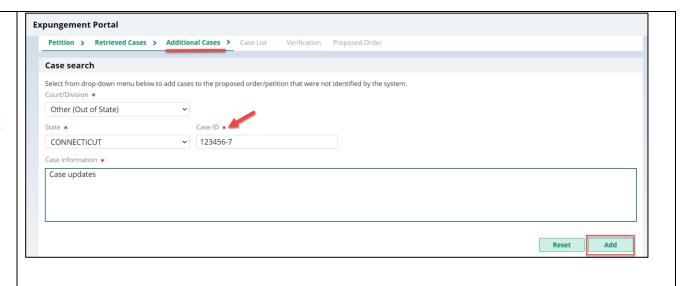

10. On the "Additional Cases" screen, you may add cases that were not systematically retrieved by searching Criminal, Municipal and/or Family. Select the appropriate value from the "Court/Division" field dropdown, enter the case information, and click the "Search" button. Click "Add" to add the case.

The "View Charges" function is also available on the Additional Cases screen when you click the vertical three dots to the right to access the action menu option.

On the **Charge Information** window, an "**Additional case details**" section is available for petitioners. The field can be used to enter information about the case and charges. The text entered will appear on the system generated petition PDF.

Other cases (including out-of-state) may be manually entered on this screen by selecting the dropdown option "Other (Arrest records only/Older cases)" or "Other (Out of State)," completing the resulting fields, and selecting "Add." Remove added cases by clicking "Remove." Click "Next" to proceed to the "Case List" screen.

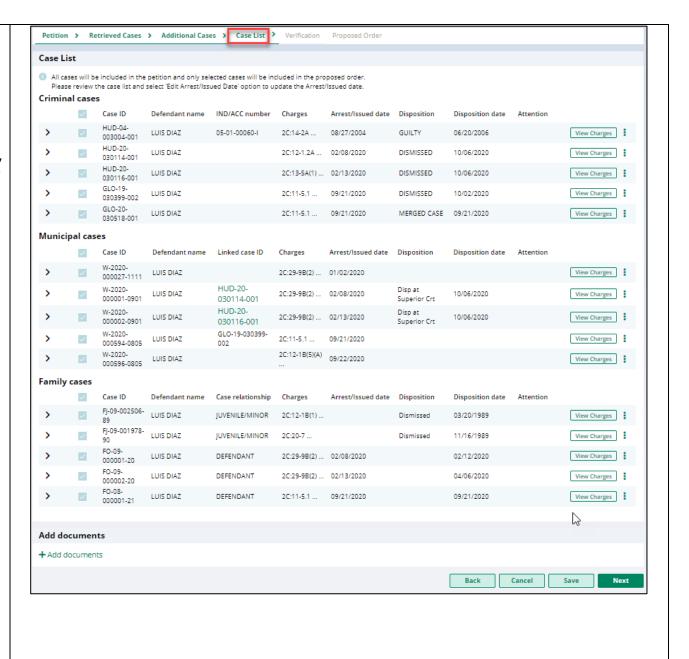

11. The Case List screen displays the cases the petitioner selected on the Retrieved Cases screen as well as any cases added on Additional Cases screen.

For a clean slate expungement, all the cases will be selected by the system and you can deselect the cases that do not need to be included in the petition/proposed order.
For a regular expungement, all the cases will not be selected by the system and you can select the cases that need to be included in the proposed order.

All the cases listed are included in the Petition PDF document.

Only the cases selected via the check box are included in the Proposed Order PDF document.

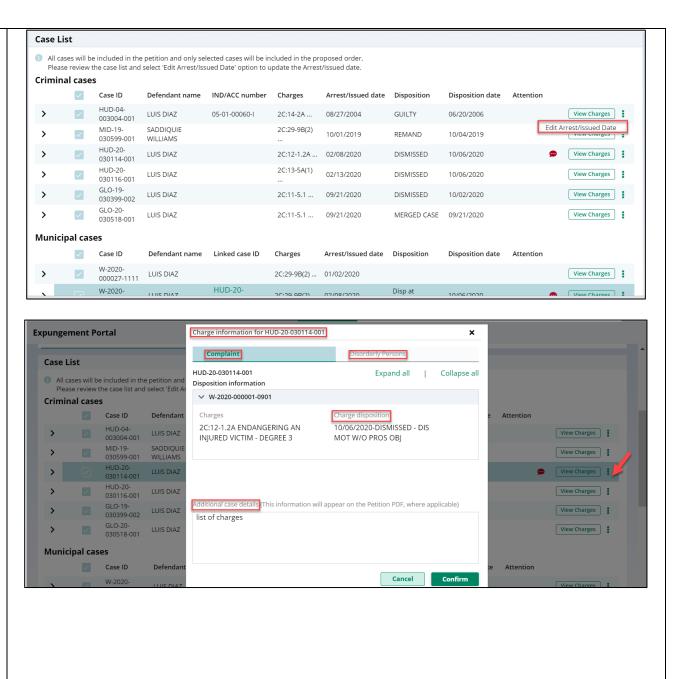

Review the Arrest/Issued date column to verify each case has an arrest date. If any cases have a blank arrest

date, you can enter the arrest date when you click the vertical three dots to the right to access the action menu option. You cannot advance to the next screen without an arrest date value for each listed case.

When you click the "View Charges" button on any case, the view charges modal opens.

Click "Next" to proceed to the "Verification."

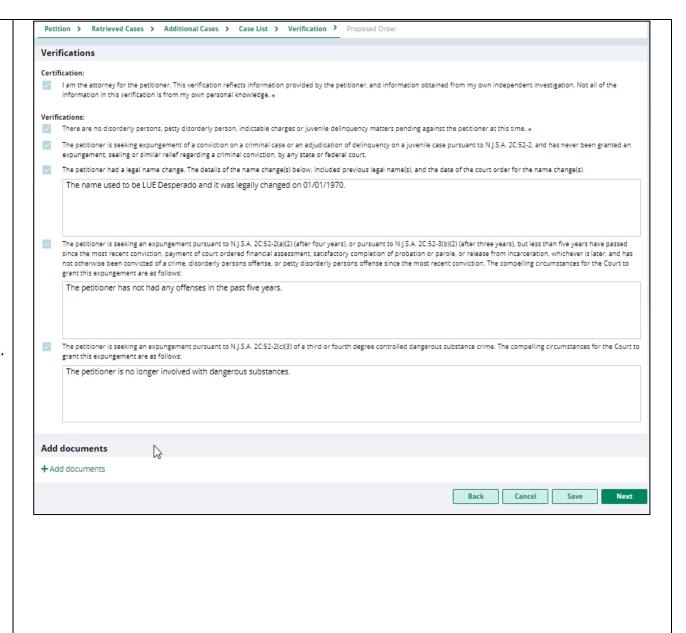

12. The Verification screen enables the user to certify and verify statements and provide supplemental information for some of the selected statements. The first statement in the Certification and Verifications section is mandatory.

Verification will also be captured that there are no disorderly persons, petty disorderly person, indictable charges or juvenile delinquency matters currently pending against the defendant.

The petitioner may check off additional optional statements regarding:

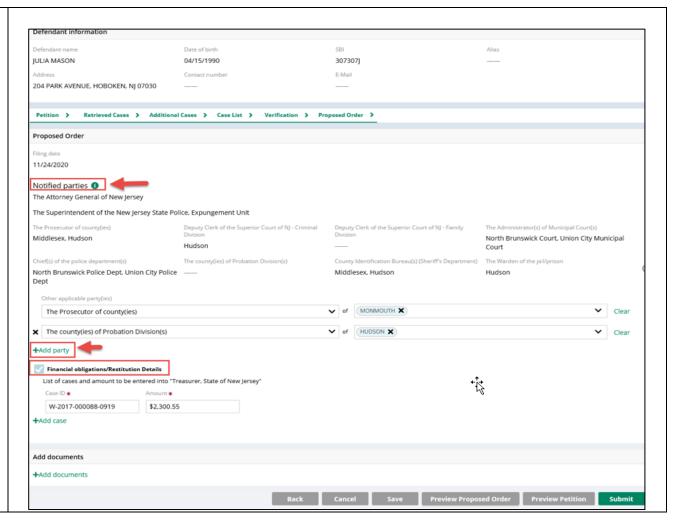

- Previously granted sealing/expungement/relief in any state or federal court.
- Legal name change.
- More than three years but less than five years having elapsed since last conviction/incarceration/etc.
- Inclusion of a third or fourth degree controlled dangerous

substance crime in the expungement.
Information selected and entered in Certification and Verification sections appear on the Petition pdf.
Click "Next" to proceed to the "Proposed Order" screen.

13. The "Proposed Order" screen identifies the parties who must be notified that the petition/proposed order has been filed. To add additional parties, click Other applicable party(ies) drop down or click +Add party.

Enter the details regarding the defendant's Financial obligations/Restitution Details if this information is applicable and known at the time the petition/proposed order is submitted.

14. Click on the "Preview Proposed Order" button on the "Proposed Order" screen to view the Proposed Order draft as a PDF document.

Ensure that all the relevant information from within the application is displaying properly on the Proposed Order.

16. Click on the "Submit" button on the "Proposed Order" screen and select "Confirm" to submit the Proposed Order to the County Prosecutor for review.

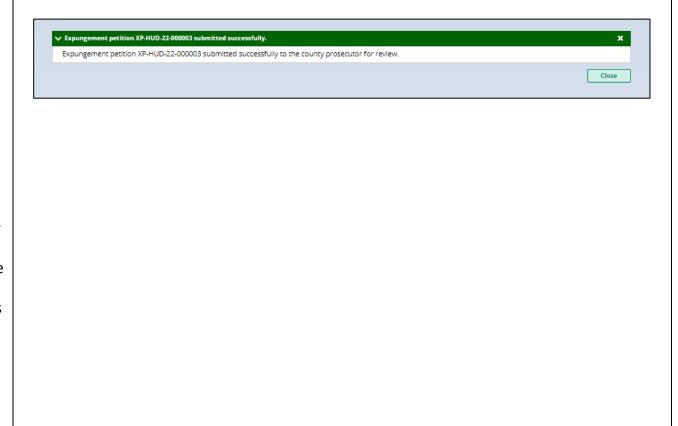

17. After submission, a success message is displayed that confirms your submission was processed.

A unique expungement case number is generated by the system and displayed in the success message.

When a Private Attorney files an expungement for a case, by default, Attorney of Record is set upon case submission. The petitioner is also sent an email notification after the petition is submitted.

An electronic copy of the submitted petition and email notification is saved to the expungement case jacket.

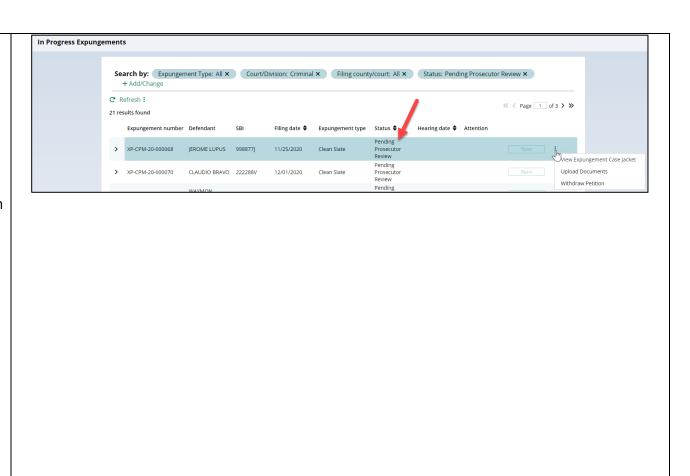

18. After the petition/proposed order is submitted, you can return to the Expungement home page. You can access the "In Progress Expungements" workbasket tile.

The case status will update to "Pending Prosecutor Review" in your workbasket and you will no longer be able to select the "Open" button to view the case.

However, you may still use the Action menu by clicking the three dots to the right of the "Open" button to:

- view the case jacket
- upload relevant documents
- withdraw the petition/proposed order if necessary

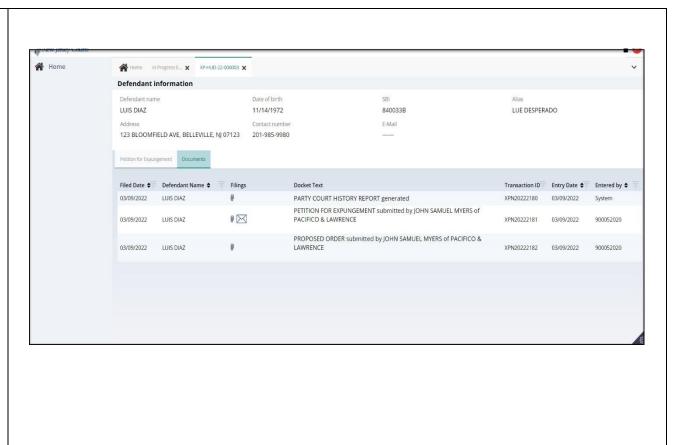

19. Upon submission of the expungement petition, an entry is added to the Expungement Case Jacket.

To view the Expungement Case Jacket from the workbasket via Action options, click the three dots to the right of the "Open" button.

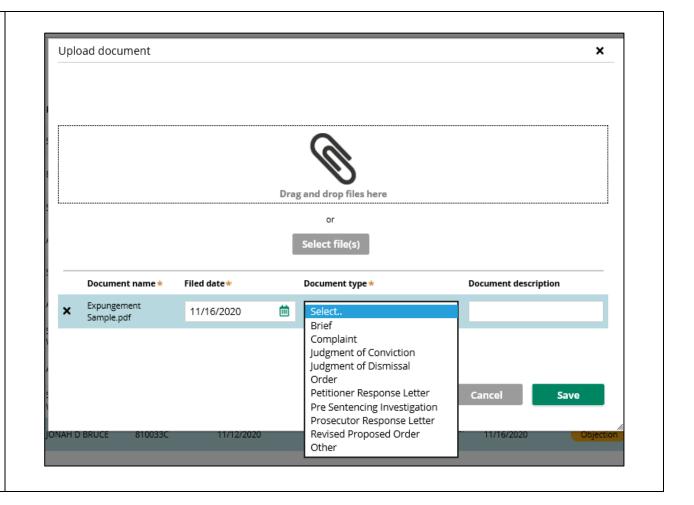

Click the column header to sort the columns in ascending or descending order. Default sort is by earliest Entry Date.

Click the paper clip to view the PDF associated with the filing.

Click the envelope icon (if applicable) to view the PDF of the electronic notification sent out to the private attorney. The petitioner will receive email notification when the petition is submitted, prosecutor response is submitted, when the final order is granted or denied, or when the petition is withdrawn.

- If the Prosecutor objects/returns the petition back, the status will display as Amended Order Petitioner Response, a new case jacket entry will be added, and an email notification is sent to the filer.
- A granted Amended Order will have the status
 Amended Order Granted.
- If an amendment is denied by the court, it will revert to its previous granted status.
- An order can be amended multiple times.

37. On the Expungement Home Page are three tiles: "In Progress Expungements", "Initiate Expungement" and "Case Representation" Click on "In Progress Expungements" to access your workbasket.

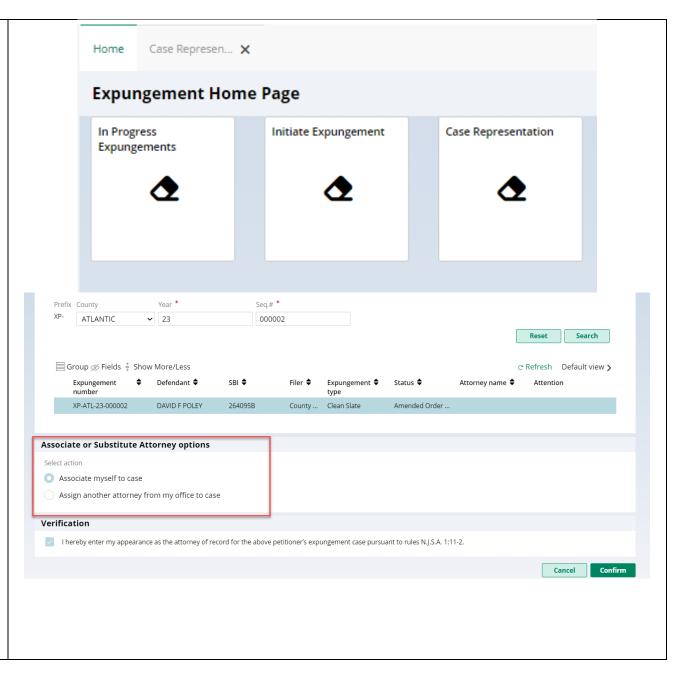

When a Private Attorney files an expungement for a case, by default, Attorney of Record is set upon case submission.

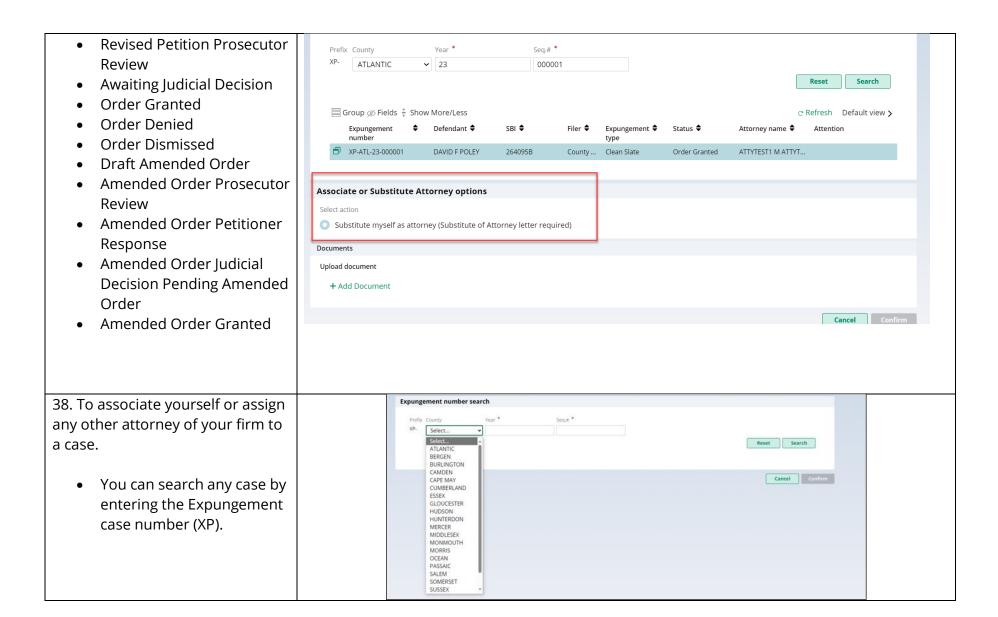

You can use Case Representation tile for the below scenarios:

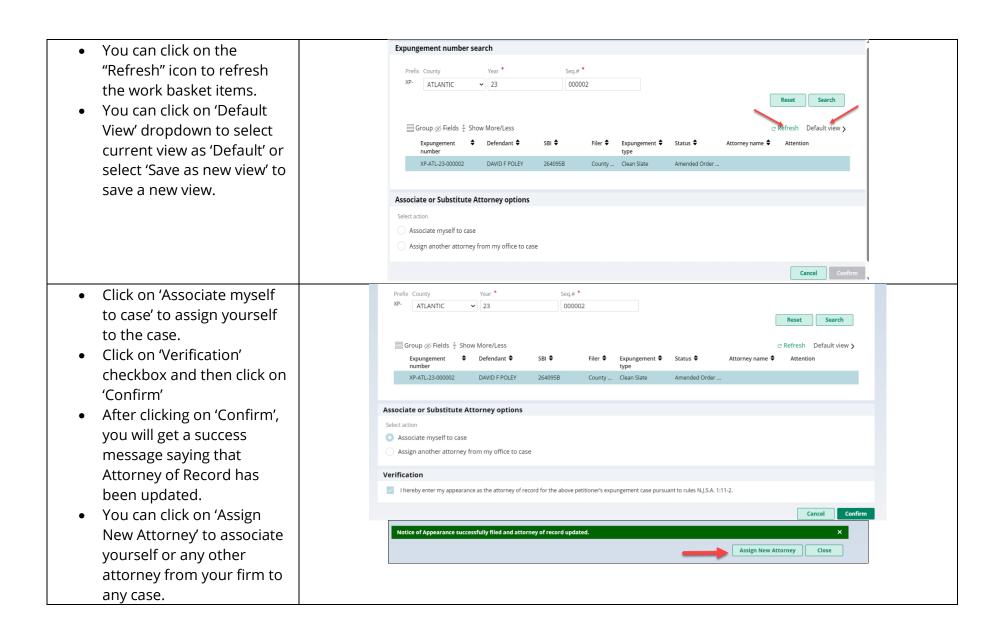

- To associate yourself or assign any other attorney of your firm to a case.
- If Attorney is already set to any case which is not associated to your firm, you can also substitute yourself as an Attorney

Private Attorney can associate themselves or members of their firm to a petition. The following statuses can have an attorney of record updated:

- Pending Prosecutor Review
- Pending Petitioner Response

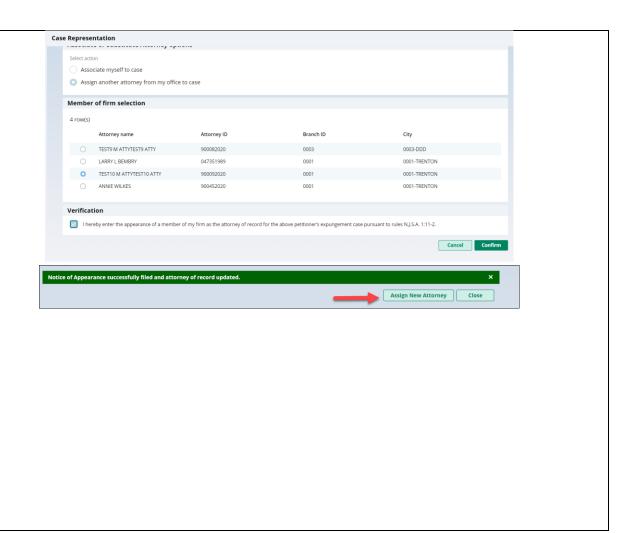

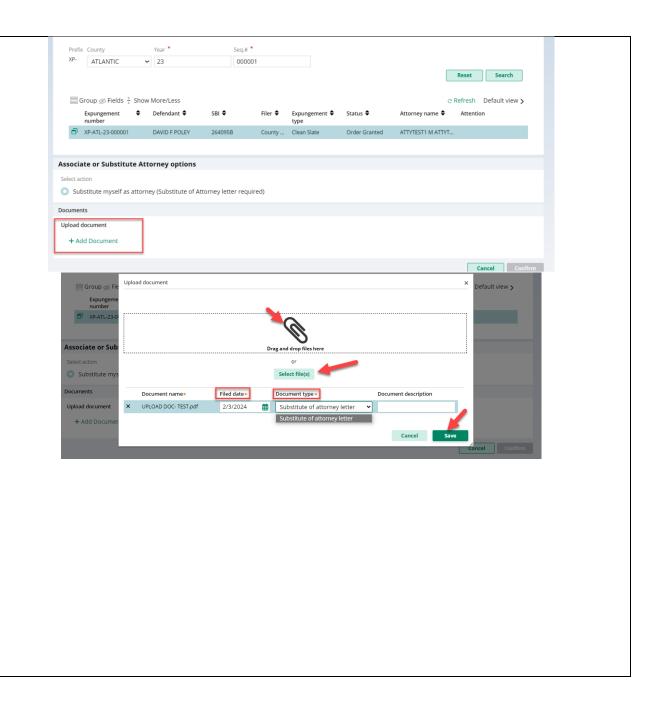

39. To assign another attorney from your firm:

- Click on 'Assign another attorney from my office to case'
- Select any attorney from the list
- You can navigate to subsequent pages to find specific attorney you want to assign
- Review the verification and click the checkbox to accept and then click on 'Confirm.'
- After clicking on 'Confirm', you will get a success message that Attorney of Record has been updated.
- You can click on 'Assign New Attorney' to associate yourself or any other attorney from your firm to another case.

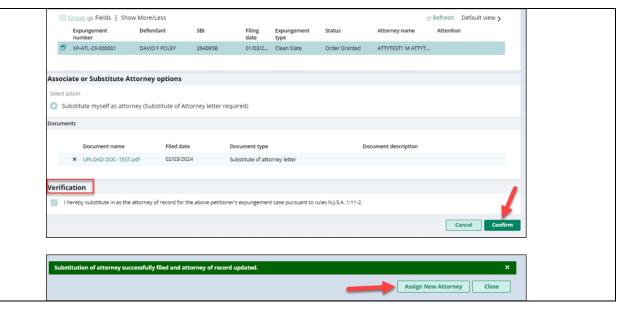

40. To substitute myself as Attorney: If an attorney of record is set, and the petition is not associated to the user's firm, the petition can be associated by clicking on the Substitute of Attorney button.

- Click on 'Substitute myself as attorney'
- Click on 'Add Document' to upload 'Substitute of Attorney' letter- a modal window will open up
- Click "Select file(s)" to browse the file explorer and find the file or drag and drop the desired file into the middle section with the paper clip.
- Enter the Filed Date and Document Type will always be 'Substitution of attorney letter' by default.
- Additionally, you can also put a short description of the type of document.
- Click on 'Verification' checkbox and then click on 'Confirm'
- After clicking on 'Confirm', you will get a success message saying that

Attorney of Record has been substituted.
You can click on 'Assign New Attorney' to associate yourself or any other attorney from your firm or substitute yourself to any case.

41. Case jacket entry for Association/Substitution of Attorney to any case

- To confirm
 Association/Substitution of
 Attorney to any case, you
 can navigate Case Jacket to
 check the case jacket entry
- You will also receive a notification email to confirm Association/Substitution of Attorney to any case.
